# Student Population & Programming

River Terrace SIT Team Meeting

November 20, 2013

## Greeting & Introductions

---

River Terrace will serve DCPS students with severe to profound intellectual disabilities. This includes students who have multiple diagnoses to include intellectual disability, as well as one or more the following: medical complexity, visual or hearing impairment, and autism.

---

## Placement Decisions

---

IEP teams determine eligibility of current students.

Every current Mamie D. Lee & Sharpe Health Center student has a seat at River Terrace if they want one.

Other DCPS students may matriculate to River Terrace through the LRE process from a self-contained setting.

---

# Programming

---
